NEW CLASS WITH REV. BOB MARSHALL

The Golden Path: Awakening to Your Soul **Wednesday**
Evenings in February at 7:30

Explore the inner journey of the soul and the experiences that each of us must face in the process of soul awakening. Establish a strong relationship with your inner eternal self.

In this class you will explore the following long term awakening cycles: I am a child of God; Let go & let God and how that leads into Co-Creation; My life belongs to God; I am the Messenger of God, and Entering Christ Consciousness. Each spiritual phase in life leads into the next higher realization. However the process is not entirely linear and you will possibly recognize lesson patterns in your life from each of the phases that we discuss and explore through mediation.

SPECIAL SUNDAY WORKSHOPS BEGIN AT 11:30

2/5 Basics of Unity with Faith Cotter ~ This class is for people new to Unity or anyone returning to Unity that is interested in Unity's foundation and principles. Join us as we explore the beginning of Unity by the founders Charles and Myrtle Filmore, discuss Unity's 5 Basic Principles, learn the differences between key Unity concepts and traditional church dogmas, and actively participate in a Silent Unity call. Participants will leave with materials to take home and a love offering will be collected.

2/12 Practicing Gratitude: Drawing the Best of Life to You with Ronnie Kenney We all know the value of being grateful in our lives. This workshop will help you put gratitude to work in your life in a way that you will use automatically every day, drawing to you all the good that God has in store for you! Come join Ronnie Kenney in this interactive time.

Dear Unity,

Love is in the air here at Unity Orlando and especially in the Youth Education Department. We want to thank you all for bringing your kids to our program each week and for recommending us to your friends and their kids. We love to teach the Unity principles and the more the merrier. We are studying "The Life and Teachings of Jesus" and this month focus is on his parables. The lessons are fascinating to both the teachers and the student. We are also incorporating a special lesson on the power of Love for Valentines Day. The message of Jesus was always "Love" so we couldn't have picked a better time to experience just that!

Everyone here at the Youth Education Department wishes you and your families a lovely Valentines Day! May each of you experience the pure essence of love that is the core of us all!

Love, Light and Valentine Laughter,

Derek and Rebecca
